

# Dine Out In the Name of MOXIE

Dear MOXIE Patron,  
Our new "Dine Out in the Name of MOXIE" campaign gives you the opportunity to support us when you dine out. We promise to work with only our favorite places to eat, so you can be sure the food is excellent. All we ask is that you plan your next meal out at the restaurant we recommend, on one of dates listed and give this flier to your server. A portion of the proceeds from your meal will come back to us!

All our love,  
The MOXIEs

Sea Rocket Bistro serves a menu of truly local flavor, using ingredients sourced directly from farmers, fishermen, and ranchers in San Diego. Try the scallops, the beet and goat cheese tart or lamb burger. They're MOXIEs favorites!
